Accessing MotorWerksEmployee Wi-Fi

For Windows 10 Computer

• Locate the Wi-Fi symbol on the task bar (lower right-hand side of desktop). Click the icon to open the available networks to choose from.

• Locate the Wi-Fi network named **MotorWerksEmployee** and click on it. Next, check the box next to **Connect automatically** and then click **Connect**.

• Enter the password for MotorWerksEmployee. Once the password has been entered, click Next.

<u>Please contact the Motor Werks IT Department to receive the password. Email</u> <u>support@motorwerks.com or add a ticket in the portal at https://support.motorwerks.com</u>
