## Accessing Employee Wi-Fi

## For iPhone

Unlock your phone and locate the **Settings** application. Tap it to open the application.

In the first group of options, you will find **Wi-Fi**. Tap this and it will open the Wi-Fi options.

It will prompt you to enter the password for "MotorWerksEmployee". Please contact the Motorwerks IT Department to receive the password.

Once the password has been entered and accepted, a pop-up window will appear asking for a Username and Password. Your Username is the first part of your Motorwerks email and is the first letter of your first name along with your full last name. Your password is the same password you use to log into your computer.

Example: John Doe Username: jdoe

After entering all your credentials, tap Sign in to connect to the Wi-Fi.
