

InteractiveTel Setup

For Mobile Devices (iOS)

- Download InteractiveTel from the **App Store**.

- Login with your username and password. Click **Sign In**.
 - Your username will be your *extension*@MotorWerks. For example, if your extension is 1234, then your username would be 1234@MotorWerks.
 - Your password is the same password you use to login to the InteractiveTel website.

A login form for the InteractiveTel app. At the top is the InteractiveTel logo (a blue and green waveform) and the text "InteractiveTel". Below this is a text input field containing the username "1041@MotorWerks". Underneath the input field is a blue button labeled "Sign in".

If you do not remember your password, please see this article on how to reset your password:
https://motorwerkshelp.zendesk.com/knowledge/articles/360044821654/en-us?brand_id=1642608.

- **Agree** to the Terms & Conditions.

Terms & Conditions

By pressing "Agree" button, you have read, understood and agreed to the "Terms & Conditions".

- Once logged in your screen should look like the one below.

- You have successfully logged into InteractiveTel on your mobile device.
- Notable Features:
 - **Keypad** – Make calls from your phone by entering in the 10-digit number or 4-digit extension
 - **Contacts** – Address Book shows all your personal contacts that you either imported or added, while PBX shows your contacts through the Motor Werks Directory with their extensions
 - **Messages** – Shows all messages and conversations
 - **History** – Recent calls, missed calls, and recordings
 - **PBX** – Shows all Motor Werks contacts through the InteractiveTel Contacts directory.
 - **Settings** – Account setup and preferences
